

# MEET. GREET. BE HEARD.

## HERE ARE JUST A FEW ADVANTAGES OF TELEFORUM FEATURES

**Private Screening.** TeleForum gives you the ability to screen a participant's question before they are live with the host, ensuring that all questions have been validated.

**Live Polling.** Create unique polls and surveys during your call in order to ask participants what is most important to them. Our interface will instantly show you the participant responses to your questions.

**Instant Transfers.** Give participants the ability to press a button and instantly transfer to a district office, a specific department or fulfillment center.

**Integrated Chat.** Hosts, staff members and facilitators can communicate with each other, regardless of location, via the TeleForum chat room. Provide helpful feedback and stay updated throughout the TeleForum.

**Real-time Reporting.** All conference dialog is digitally recorded and saved to your account. Participant data including contact information, conference duration, and polling responses is instantly available for viewing and download.

## HOW DOES TELEFORUM WORK?

Our software sends customized phone messages to your target audience, allowing them to instantly join your live conference. A typical TeleForum flow:

- \*Specific, personal invitations are sent to thousands instantly
- \*With the touch of a button, participants join the live TeleForum
- \*Participant questions are screened for live Q & A
- \*Hosts are able to conduct real time polling
- \*Conference activity is viewed and controlled via web interface
- \*Dialog is recorded and participant information saved
